

# Are YOU getting the HEALTH CARE you NEED?

“Health and health care are basic human rights, such that everyone has a right to access to a universal healthcare system, with corresponding local, state and national government responsibilities”

*Lewis and Clark City-County Board of Health Resolution*

The Lewis and Clark City-County Board of Health is taking action to improve access to health care. A Health Care Task Force, set up by the Board of Health, is exploring how to do this. August 20th, we will hold a discussion group to hear from community members about their experiences and suggestions.

## Get INVOLVED!

Come take part in the discussion.

**Thursday, August 20th**

**1:00 PM to 3:00 PM**

**Lincoln Senior Center**

**Lunch will be provided**

## Questions?

If you have any questions about this discussion group, please contact:

Jolene at 443-2584

- Meetings will be in small groups of 5-10 people, take around 2 hours and will be moderated by a researcher.
- The meetings will be documented and become part of a community needs assessment. This assessment will help the Health Care Task Force take action to improve health care!
- If you wish, you can stay involved after the discussion meeting and come to a community forum or event we're organizing in the Fall.

## Your VOICE counts!
